

Serving Texas Counties & Special Districts

Weaver is a nationally-recognized firm with more than 650 employees and offices in seven Texas cities: Austin, Conroe, Dallas, Fort Worth, Houston, Midland and San Antonio.

We have a dedicated practice focused on public sector entities across the state of Texas. It is one of the largest industry practices in the firm, with more than 120 professionals. Weaver audits more than 175 government entities, including counties, water authorities, tax appraisal districts and other special districts.

- ▶ Audits for 10 counties
- ▶ Service Organization Controls (SOC) IT security/reliability, audits for 2 counties and a county tax office
- ▶ Audit and/or advisory services for 40 regional or special-purpose agencies

Weaver is experienced not only with annual financial audits, but federal and state single audits, ACFR preparation for GFOA recognition, data analytics and third-party grant compliance audits.

We also provide public sector clients with risk assessments, internal audits (both outsourced and co-sourced), enterprise risk management consulting, business process improvement, IT audits and forensic accounting.

With one of the largest and most respected government practices in the state, Weaver professionals are well-informed about the wide array of issues counties and special districts face. Our broad and sustained experience enables us to take a particularly thoughtful approach, balancing your short-term reporting needs with your long-term objectives.
