

Not-for-Profit Services

More than the bottom line.

Running a not-for-profit organization takes passion and determination as well as attention to financial security. With 14 offices nationwide, Weaver offers not-for-profit organizations of all sizes access to a wide range of assurance and tax services while continuing to provide the kind of personal attention that is our hallmark.

From large, complex organizations to community-based not-for-profits, we scale our work to the needs of each organization. We champion each mission as our own as we apply our advanced understanding of not-for-profit funding, financial models, reporting and strategic planning.

Weaver's leadership team and employees value community involvement in their professional and personal lives, bringing this commitment to each professional engagement. You can expect hands-on support and personal contact as needed throughout the year.
