

## ABOUT WEAVER

Weaver is a national accounting and advisory firm with offices from coast to coast.

But we're no ordinary accounting firm. We have an unwavering commitment to our clients' success, acting with integrity and always striving to transcend expectations.

We are nationally ranked by both *INSIDE Public Accounting (IPA)* and *Accounting Today*, including recognition as a Best of the Best firm by IPA in 2022.

To ensure our professionals are meeting the needs of global business growth, Weaver participates in two global accounting firm organizations: Allinial Global® and TIAG® (The International Accounting Group). Weaver's memberships in Allinial Global® and TIAG® allow us to extend our reach globally. Through these organizations, we have access to a full portfolio of services and resources, and our clients have the benefit of local relationships and service delivery where they do business.

"The Weaver Team exhibits many of our core values, such as Respect, Excellence, and One Team which are important to me and the business. It's a pleasure working and growing with Weaver."

## OUR CLIENTS

Weaver’s clients include many of the world’s leading domestic and global energy companies across all segments of the industry, from local business owners and operators to major national and global oil companies, as well as private equity firms with industry holdings.

## ENERGY TRANSITION AND RENEWABLES

Widely known for our work within the transportation fuels sector, we offer valuable perspective to help you navigate your energy transition plans successfully. We understand the technical and regulatory issues and opportunities related to transitioning to sustainable and low-carbon energy.

Our services are generally geared towards helping companies of all sizes understand regulatory requirements, maintain corporate compliance, and identify and maximize certain credit opportunities that might be available under various environmental programs. We have experience working with various regulatory agencies, including:

- ▶ U.S. Department of the Treasury
- ▶ U.S. Environmental Protection Agency
- ▶ U.S. Customs and Border Protection Agency
- ▶ Environment and Climate Change Canada
- ▶ California Air Resources Board
- ▶ Oregon Department of Environmental Quality

**Beyond the traditional accounting services you can expect from us, our energy transition and renewables services include:**

- ▶ Green-e® program verifications, provided by the Center for Resource Solutions
- ▶ Environmental, Social and Governance (ESG) reporting and consulting
- ▶ Renewable and low-carbon fuels program verification and consulting
- ▶ Motor fuels and excise tax consulting and compliance
- ▶ Voluntary carbon market verification and consulting
- ▶ Green financing framework development consulting and examinations

“Weaver’s team is extremely professional and well-versed. We appreciate their knowledge and ability to help us navigate all of the deadlines required of us.”
